While no theory is admitted in natural history, which is not confirmed by actual and positive experiment, religion is the only thing to which a trial by this test is refused. The very name of vital experimental religion excites contempt and scorn, and provokes resentment. The doctrines of regeneration by the powerful operation of the Holy Spirit, and the necessity of his continual agency and influence to advance the holiness and comforts of those, in whose hearts he has already begun a work of grace, are not only exploded and contradicted by many who profess a regard for the Bible, and by some who have subscribed to the articles and liturgy of our established church, but they who avow an attachment to them, are upon that account, and that account alone,...
