*This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).*

## WHERE I'D LIKE TO BE

Perfection Learning. Hardback. Book Condition: new. BRAND NEW, Where I'd Like to Be, Frances O'Roark Dowell, A ghost saved twelve-year-old Maddie's life when she was an infant, her Granny Lane claims, so Maddie must always remember that she is special. But it's hard to feel special when you've spent your life shuffled from one foster home to another. And now that she's at the East Tennessee Children's Home, Maddie feels even less special. She longs for a place to call home. She even has a "book of houses" in which she glues pictures of places she'd like to live. Then one day, a new girl, Murphy, shows up at the Home armed with tales about exotic travels, being able to fly, and boys who recite poetry to wild horses. When Murphy offers Maddie something she has never had before, Maddie begins to wonder if she has finally found someone who "feels" like home.
