

Vampires in Nature (Paperback)

By Kirsten W Larson

Amicus Ink, United States, 2016. Paperback. Book Condition: New. 236 x 157 mm. Language: English . Brand New Book. Truth is stranger than fiction, right? Find out where you can uncover real-life vampires and zombies. Learn about crazy mutations, and discover animals with amazing super powers. Pop culture tie-ins and freaky facts hook readers into learning about animal and plant science. They may seem like stories from comic books, but you might find these freaky plants and animals in your own backyard. This photo-illustrated book for elementary readers describes animals that drink the blood of other animals and even people. Explains how these vampire animals find their hosts and which ones usually spread diseases when they feed on human blood.

Reviews

I actually started off looking over this publication. Indeed, it really is play, nevertheless an amazing and interesting literature. Its been printed in an exceedingly basic way and is particularly just right after i finished reading this ebook by which actually altered me, affect the way i believe.

-- **Toney Bernhard**

Definitely one of the best book We have at any time go through. It is actually filled with wisdom and knowledge I am quickly could get a delight of studying a published book.
