Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better than never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, Spiritual Caregiving as Secular Sacrament: A Practical Theology for Professional Caregivers, Ray S. Anderson, John Swinton, 'This is not a book about theory, it is a book about life. This volume is in the excellent Practical Theology Series published by Jessica Kingsley and under the general editorship of John Swinton of Aberdeen University who writes the Foreword. Ray Anderson is an American pastor and academic of many years standing. His starting point is (pre) theoretical, arguing vigorously that practical theology has a particular end in view and therefore differs from the empirical (social) sciences. It is well worth sticking with his argument to see how it works out in practice. Early chapters with phrases in their titles such as "Spiritual Praxis of Practical Theology", "Integrative Gestalt of the Human Self", "Ecological Matrix of the Human Person" and "Social Ecology of Human Spirituality" might seem heavy going at times. Don't be put off! The reader is rewarded with highly relevant contemporary understandings of spirituality illuminating and illuminated by both Scripture and modern theologians and therapists. This book comes highly recommended for anyone involved in the field of mental health care.' - Leveson Newsletter 'This is a book that deserves to be read, and perhaps re-read, by those who deliver spiritual care and wish to reflect on what they do.' - Scottish Journal of Healthcare Chaplaincy Bridging the gap between clinical and religious professionals, this book examines how both can understand the spiritual needs of the individual, and the importance of this spirituality in bringing about health and wholeness. With an emphasis on mental health, the author explores spirituality in the context of the individual and of society, and discusses how those practicing pastoral or health care can deal with the issues raised...
