Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the start of the book. This is a commentary on the opening chapters of Genesis. Those who are committed to religion should not enter this book. Why? I deal with facts. This is a synonym for truth. And also for reality. I have yet to meet any religion that had the slightest respect for either truth or reality. On the other hand I do not wish to disturb anyone s peace of mind or comfort zone. Before the knives come out I would advise you to exit stage right. The rest of you, with inquiring minds, may take your seats. The Torah, written in Hebrew, an ancient book possessed by Israel, has never been translated. I won t be the first to do it and I don t think at our current understanding of the universe it can be done. We have books floating around in different languages that are labelled the Old Testament, which includes both the Torah and the supplementary inspired literature of the Jews called the Tanakh, but I will expose what these are. Let s say you went to a concert to enjoy a famous rock group. You sat in the auditorium for two hours. Here s what you experienced. You saw the guitarist play. You saw the drummer drum. You saw the girl sing. You saw a lot of choreography. But you did not hear one note. And you are not deaf. Were you at the concert? No, not if it means hearing music. The medium is the message, as my fellow Canadian Marshall McLuhan once said. It may also be the substance. The style of the musicians is part of...
