Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.

THE GOLDFISH IN THE CHANDELIER

Getty Trust Publications. Hardback. Book Condition: new. BRAND NEW, The Goldfish in the Chandelier, Casie Kesterson, Gary Howland, This is a charming tale about the creation of a very unusual chandelier. Here is a different kind of adventure story; "The Goldfish in the Chandelier" takes place just outside of Paris in the early 1800s. Uncle Henri is stuck. He has been commissioned to design a chandelier for a great house in Paris, but can't think what to do. To the rescue comes Louis Alexandre, his young nephew, with some dazzling ideas inspired by Alexander the Great and the first hot-air balloon flights over Paris. Together, they combine their imagination to create something that never existed before - something completely new and unexpected!.
