Endowed with great strength and skin like steel, he battles the worst his city has to offer, but laments the lonely path he walks, ever aware that his attentions could spell a hospital visit or worse for any normal woman who would ease his burdens. Not every woman is normal, though, and some prove to be more than a match for Thrust, not only on the battlefield, but also in the bedroom. Come see Thrust s first steps into the world of Sex and the Single Superhero.
