COLORING BOOK FOR KIDS: HORSE: KIDS COLORING BOOK (PAPERBACK)

Speedy Kids, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.As the colored wax of a crayon rolls across the outlined image of a horse, a child's sensory faculties are instantly engaged. Because horses are real, larger than life and create impactful feelings, they are completely relatable. Thus, the moving of a crayon in patterns of color to fill in the horse outline triggers the brain's calming endorphin release. Endorphins are the naturally produced brain chemistry that help children achieve an extended and beneficial period of relaxed focus. Coloring in images of horses in a coloring book and experiencing the extended sense of both focus and calm provide multi-layered benefits.
