*This publication is amazing. This can be for all who statte that there had not been a worth reading through. I realized this publication from my i and dad encouraged this ebook to find out. (Desmond Schuster II)*

## THE ATHENS OF AMERICA: BOSTON, 1825-1845

University of Massachusetts Press. Paperback. Book Condition: new. BRAND NEW, The Athens of America: Boston, 1825-1845, Thomas H. O'Connor, How Bostonians fashioned a shining image of their city in the early nineteenth century Many people are generally familiar with the fact that Boston was once known as "the Athens of America." Very few, however, are clear about exactly why, except for their recollections of the famous writers and poets who gave the city a reputation for literature and learning. In this book, historian Thomas H. O'Connor sets the matter straight by showing that Boston's eminence during the first half of the nineteenth century was the result of a much broader community effort. After the nation emerged from its successful struggle for independence, most Bostonians visualized their city not only as the Cradle of Liberty, but also as the new world's Cradle of Civilization. According to O'Connor, a leadership elite, composed of men of prominent family background, Unitarian beliefs, liberal education, and managerial experience in a variety of enterprises, used their personal talents and substantial financial resources to promote the cultural, intellectual, and humanitarian interests of Boston to the point where it would be the envy of the nation. Not only did writers, scholars, and philosophers see themselves as part of this process, but so did physicians and lawyers, ministers and teachers, merchants and businessmen, mechanics and artisans, all involved in creating a well-ordered city whose citizens would be committed to the ideals of social progress and personal perfectibility. To accomplish their noble vision, leading members of the Boston community joined in programs designed to cleanse the old town of what they felt were generations of accumulated social stains and human failures, and then to create new programs and more efficient institutions that would raise the cultural and intellectual standards of...
