Economic Activity The goal continues to be to assist the Iraqi Government in establishing the foundation for a strong economy and in delivering essential services. This includes: helping promote the growth of the Iraqi economy in a manner consistent with Iraqs compliance with the IMF and Iraqs international agreements; supporting development of a strong private sector; assisting in developing and implementing policies and programs that will reduce unemployment; assisting in increasing the production and export of oil; production and delivery of electricity; and other essential services; and helping to ensure the security of the oil, electricity and water infrastructure. Assisting the Iraqis achieve their economic objectives is central to attaining the ultimate goal of a stable, unified, and prosperous Iraq. Although significant challenges remain, there has been progress on a number of fronts. Performance metrics tracked by the State Departments Iraq Reconstruction Management Office ( IRMO ) include both macroeconomic indicators and specific indicators in key sectors and services. Macroeconomic Indicators In cooperation with the IMF, the Iraqi Transitional Government ( ITG ) is implementing an economic reform program, including fiscal and monetary...
