Empire October 2006, 2006. Hardcover. Book Condition: New. Peter Beard: Scrapbooks From Africa and Beyond is a colorful and definitive portrait of a man of all seasons, a man in love with people and places, a passionate man, an obsessed man constantly passing from one dimension to another. The book and film follow the inner drama of one of the great creative spirits. Like the colorful marginalia of the notebooks heâs kept since his youth, it is collage drawn from life itself. Scrapbooks From Africa and Beyond reveals a mixture of seriousness and wit, and rests upon Peter Beardâs skills as a storyteller. A person cannot experience the intensity of life such as Beard hasâsuffer such scrapes and bruises associated with the adventurerâs lifeâs without being lively company. A series of incisive and never before published interviews by British journalist Edward Behr form the backbone of Scrapbooks From Africa and Beyond that takes viewers to three continents. Beard lives in the present and here we are offered a rare experience to observe how he captures the essence of each moment. Marked by a sense of intimacy and sincerity, Scrapbooks From Africa and Beyond shows Beard at work shooting nudes and fashion, with his family and friends, the native Kenyans he lived near and works with or just one-on-one, in candid and revealing scenes that underscore his lifeâs work. In Scrapbooks From Africa and Beyond, Beardâs adventures and the substance of his work are united as one. The iconic photographs of his legendary past are revisited and for the first time we read and hear the stories about the making of Beardâs first book End of the Game, his appearance in the underground classic, 'Hallelujah the Hills,' his fortuitous meeting with British painter, Francis Bacon, and his youthful acquaintance with Karen Blixen....
