Andrews McMeel Publishing, United States, 2010. Hardback. Book Condition: New. 208 x 206 mm. Language: English . Brand New Book. Gracie s daydreams come alive with AniMotion as she imagines performing as a ballerina, hula girl and more. Written by Kate Ohrt and illustrated by Kristi Valiant, Dancing Dreams employs Accord s New York Times best-selling AniMotion(tm) technology and introduces readers to dancing sensation Gracie. Gracie is a girl with her head in the clouds and a bounce in her step. From performing as a prima ballerina under the spotlight to cheerleading on the football field, Gracie imagines a number of ways to kick up her heels. Readers can envision her imaginings through Accord s AniMotion(tm) panels that reveal the secrets behind Gracie s daydreams and dance moves. Whether Gracie imagines herself as a flamenco dancer prancing and clicking to the beat or as a hula dancer with her grass skirt flowing in a tropical breeze, the truth is that she s still Gracie--and today she s the star of her very own show.
