THE UNITY OF SCRIPTURE: UNDERSTANDING THE MYSTERIES OF GOD (PAPERBACK)

None, United States, 2011. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Unity of Scripture is different from any other book on the Bible. It is divided into three distinct sections (Origins, Symbolism, and Prophecy). Understanding each of these, in context, is necessary for a correct understanding of the Bible. This book shows how these three aspects interconnect. Daniel Brown takes a rational approach concerning the Bible without diminishing its authority or questioning its correctness. There are many diagrams and illustrations which very effectively clarify the author's assertions. The author's ability to graphically diagram scriptural passages in order to compare them to other biblical passages is unique and makes their interconnectedness more readily apparent. This book also illuminates many of the mysteries in the Bible in a simple and understandable way. The Unity of Scripture will inspire awe at the perfection demonstrated by the Word of God. Topics include: The creation week, The Tabernacle of Moses, The ancient calendar, The Holy days, and the lineage of Jesus, The timing of the crucifixion, The prophecies of Daniel, Revelation and Jesus and the theories of Einstein.
