AN ANIMAL FAMILY, 6 VOL SET (HARDBACK)

Gareth Stevens Publishing, United States, 2016. Hardback. Book Condition: New. 178 x 178 mm. Language: English . Brand New Book. Young readers love animals especially baby animals! Watching chicks grow into chickens and foals become horses is an important science lesson, but also a good introduction to how animals make their own families, too! This early reader series uses simple but informative text paired with full-color photographs to show different animals caring for their young. From pigs and piglets on a farm to seals and their pups in the ocean, animals of all shapes and sizes come together to live as a family!.
