University of Utah Press,U.S. Paperback / softback. Book Condition: new. BRAND NEW, Mountaineering Essays, John Muir, Richard Francis Fleck, This volume contains eleven mountain adventures, from the high Sierras in California to first ascents in Alaska. In each John Muir, who founded the Sierra Club in 1892, maintains a careful and subtle balance between the physical and symbolic aspects of ascending or observing the sublimity of his surroundings. Mountains are for him a source of discovery, not merely of new geography, but also of the inner human, and they represent a supreme test and an affirmation of the human spirit.
