Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

It has also been called for as an address before certain Sunday-School conventions. The discussions it has called forth have been encouraging, and votes have been passed requesting its publication, with a view to further discussion of the important subject which it barely enters upon. In the hope that, if hammered enough, it may prove a serviceable wedge to the further opening up of a matter, of vital importance to the churches, it is respectfully offered for the friendly consideration of fellow-pastors and Christian laborers.
