## BEST IN SHOW: THE WORLD OF SHOW DOGS AND DOG SHOWS (HARDBACK)

I-5 Publishing, United States, 2008. Hardback. Book Condition: New. 246 x 198 mm. Language: English . Brand New Book. Bo Bengtson is regarded today as the foremost international authority on dog shows past and present, and his definitive volume Best in Show: The World of Show Dogs and Dog Shows has become an instant classic, hailed by critics around the world as the most important book ever written about the sport of dogs. Richard G. Beauchamp, a revered judge and author, praises Best in Show: At long last a factual and meticulously researched history of the purebred dog scene. It s an everything-you-ever-wanted-to know book about the fascinating world of show dogs. Best in Show spans the history of dog shows from its beginnings in England to the present-day, highlighting the most important dogs, shows, judges, handlers, breeders, and more in 656 pages overflowing with over 700 full-color and historical black-and-white images. Bengtson is at once a student of dog-show history, an accomplished scholar, a highly regarded international judge, a breeder of champions, and, as Kerrin Winter-Churchill surmises, the greatest living dog writer of our times. His ultimate achievement, the award-winning Best in Show begins with a history of the dog sport, How Dog Shows Began, a chapter that talks about the development of pure breeds, the beginnings of the dog fancy, and the first dog shows. To understand the essence of dog shows, it s critical to understand what show judges are looking for, a topic that Bengtson covers in the chapter The Breed Standards. Without breed standards, dog shows could not exist. It would be impossible to conduct any meaningful comparison of dogs without universally accepted descriptions of each breed. At their best, the standards give a vivid, colorful word picture of the image each breed represents, in motion and...
