When children grasp phonicsthe sounds created by letter combinationstheyre on their way to mastering reading. And the more fun they have as they learn, the faster their skills will grow and the more fully theyll absorb the information. Thats why these word searches turn learning letters into a game. Theres only a small list of words to find so children can easily complete the puzzles without becoming bored or losing their concentration. Adorable line drawings, such as a cute alligator painting, a cow going up-up-up in a balloon, and a zebra in a zig-zaggy zippered coat, add to the kid-appeal. This item ships from multiple locations.
