

## Communicating War: Memory, Media and Military (Paperback)

Filesize: 6.42 MB

### ***Reviews***

*Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
*(Joana Champlin)*

## COMMUNICATING WAR: MEMORY, MEDIA AND MILITARY (PAPERBACK)

[DOWNLOAD](#)

Arima Publishing, United Kingdom, 2007. Paperback. Book Condition: New. New.. 230 x 154 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Wars are now mediated in unprecedented ways and through a variety of communicative forms. Correspondingly, there is an increasing awareness among those involved in war of the need to gauge and manage what is communicated. *Communicating War: Media, Memory and Military* contextualises these developments by locating the emergence of recent wars and terrorist activity in a wider frame of global socio-political change, highlighting the social, political and historical aspects of communicating war . This includes: . the remembering and forgetting of wars through cultures of collective memory and media selectivity; . the organization, practice and culture of media institutions in the mediation of war information; . and the strategic use of information by military institutions and terrorist organizations in the execution of war and terrorist acts. Remaining sensitive to the complexities of conflict, the book moves beyond a focus on UK and US interventions and reflects upon the communication of war in relation to all forms of conflict, particularly terrorism and under reported civil conflicts. Adopting a multi-disciplinary approach, *Communicating War: Memory, Media, Military* will be of interest to students in journalism, media, war and peace studies, international relations and international politics. Contributors include practitioners from within the journalistic and military communities and international scholars from a broad range of social sciences: Stuart Allan, David Altheide, Chris Atton, Oliver Boyd-Barrett, Nico Carpentier, Neal Curtis, Richard Keeble, Andrew Hoskins, Makram Khoury-Machool, Sarah Maltby, Donald Matheson, Lara Pawson, Ron Schleifer, Martin Shaw, Angus Taverner, John Tulloch, Howard Tumber and Jeremy Tunstall. - REVIEWERS COMMENTS - Few topics of media research affect us more personally, and emotionally, than how media represents war, and the military's partly hidden role...
